Admin Panel:

- **Study Halls Management**:
    - **Add New Halls:** Admin can add new study halls to the platform, providing necessary details such as name, location, facilities, etc.
    - **Approve Study Halls:** Admin can review and approve study halls that have been added by study hall owners.
    - **Study Halls Requests:** Admin can view and manage requests from study halls, such as requests for approval, changes in subscription plans, etc.
- **Subscription Management**:
    - **Payment Options:** Study halls can choose between two payment options for student admissions:
        - Paying 5 Rs each time a new student is admitted.
        - Making a deposit, from which amounts are deducted for each student admission.
- **Study Hall Subscriptions:**
    - Study hall owners can subscribe to plans that allow them to admit students up to certain limits. This subscription model enables flexibility and scalability for study hall owners.
- **Subscription Reports:**
    - **Purchased:** Reports on purchased subscriptions by study hall owners.
    - **Expiring:** Reports on subscriptions that are about to expire.
    - **Expired:** Reports on subscriptions that have already expired.
- **Transactions Reports:**
    - Detailed reports on transactions made within the platform, including payments, deposits, refunds, etc.
- **Study Halls Wallet Details:**
    - Summary of the financial transactions and balances in study halls' wallets.
